## RELATION OF PROPOSED APPLICATION TO THE CITY'S COMPREHENSIVE PLAN

CONSISTENCY WITH PLAN EL PASO: Subject property is designated G7, Industrial

# The City of El Paso should change its growth pattern away from homogeneous land uses and return to a pattern of compact well-connected mixed-use neighborhoods. GOAL 2.3: The City of El Paso wishes to create complete networks of multimodal streets with ample

shaded sidewalks and frequent on-street parking.

POLICY	DOES IT COMPLY?
<b>2.2.4.b.:</b> Commercial and office uses at intersections should have direct paths to greens and squares.	Yes, a path to McCarthy Park is located along Don Haskins and John Phelan.
<b>2.3.2.a:</b> New neighborhood streets should connect to the existing street network in all adjoining areas where practical.	New streets are not proposed.

**NEIGHBORHOOD CHARACTER:** Subject property is zoned C-4/sc (Commercial/condition/special contract) and is currently vacant. Properties adjacent to the subject property are zoned C-4/c (Commercial/condition) and C-4 (Commercial). Surrounding land uses are commercial and industrial. The nearest school is Loma Verde Elementary (1.3 miles). The nearest park is McCarthy Park (1.29 miles). The proposed subdivision is not within any Impact Fee area.

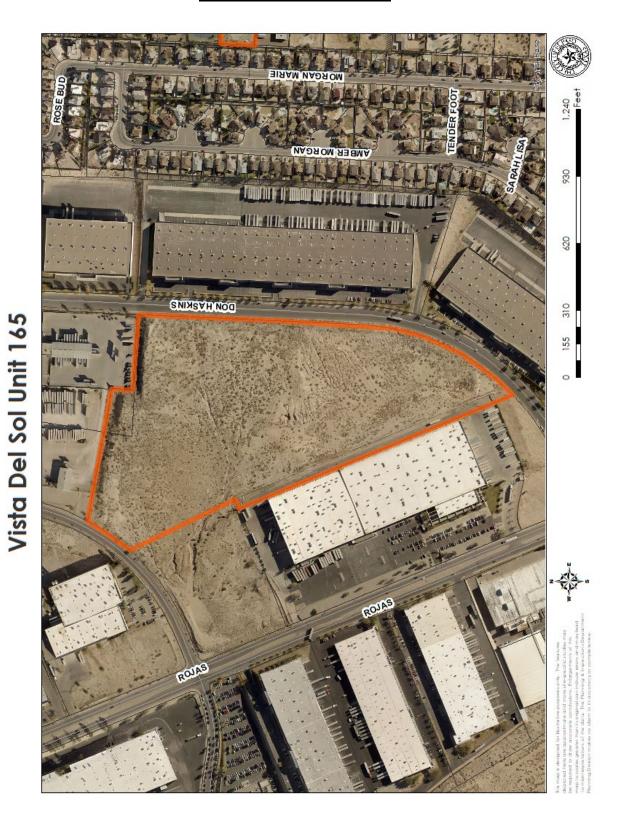

**COMMENT FROM THE PUBLIC:** N/A.

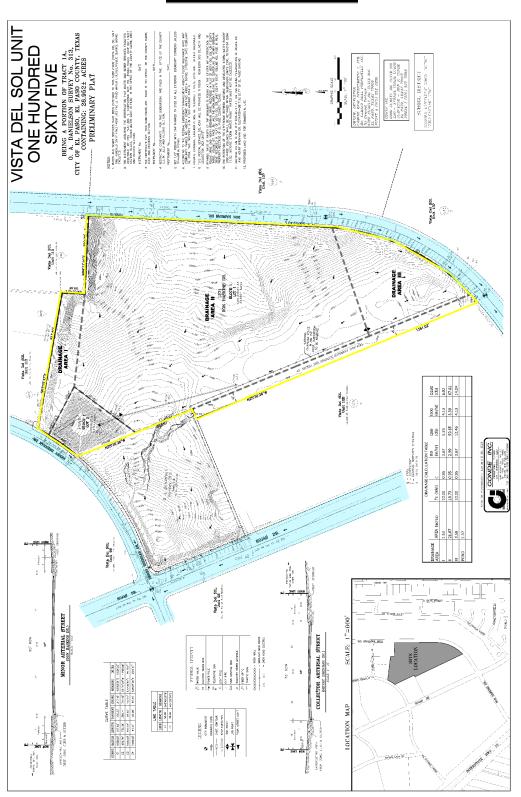

#### **PLAT EXPIRATION:**

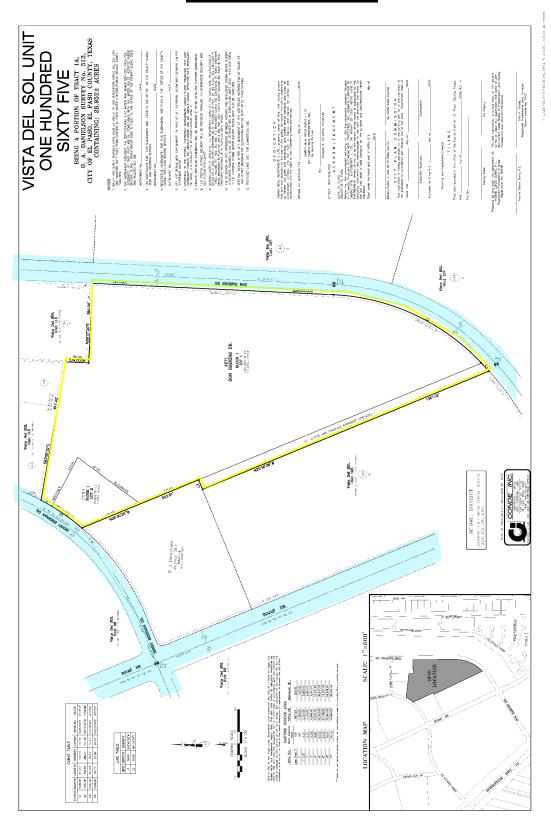

This application will expire on October 18, 2019. Failure to submit the recording plat in accordance with Section 19.08.100 (Recording plat submission) within the specified date, or within an approved six-month extension period, shall necessitate the total resubmission of the minor subdivision application which shall be subject to the subdivision regulations in effect at the time of resubmission.

#### PLANNING AND INSPECTION DEPARTMENT - PLANNING:

Developer/Engineer shall address the following comments:

- Submit to the Planning & Inspections Department Planning Division the following prior to recording of the subdivision:
  - a: Current certificate tax certificate(s)
  - b: Current proof of ownership.
  - c: Release of access document, if applicable.
  - d: Set of restrictive covenants, if applicable.
- Every subdivision shall provide for postal delivery service. The subdivider shall coordinate the
  installation and construction with the United States Postal Service in determining the type of
  delivery service for the proposed subdivision. In all cases, the type and location of delivery
  service shall be subject to the approval of the United States Postal Service.

#### **PLANNING**

1. Change the road type for the 70' cross-section to read "Collector" to match the applicable DSC.

#### LAND DEVELOPMENT

- 1. Update flood zone information note to include both panels 46C & 49C.
- 2. Identify the discharge point for drainage area III; make sure that the downstream storm water management facilities have sufficient capacity to carry the additional runoff.
- 3. Label the pond as "private" since it will only service this subdivision. The proposed pond shall have enough capacity to hold the developed runoff for a designed 100-yr. storm event.
- 4. On the street cross-sections, label the slope and direction.

#### **CID/PARKS**

Please note that this subdivision is zoned "C-4" meeting the requirements for Non-residential uses (General commercial) as well as for Residential dwellings use (Multi-family) with a minimum lot area of 750 sq. ft. per dwelling unit also, applicant has submitted copy of preliminary covenants restricting the use to general commercial purposes only and prohibiting all residential uses.

Furthermore, this subdivision application is part of the Vista Del Sol V Land Study, approved June 13, 1995 and vesting rights have been granted under the subdivision standards of the El Paso Municipal Code in effect in 1995 (Old-Old Code) therefore, "Park fees" will be assessed as follows:

 If gross density waiver is granted by the Planning Department or designee and a copy of the final recorded covenants is provided restricting all residential uses, then applicant shall be required to pay "Park fees" in the amount of \$8,685.00 based on Non-residential subdivision requirements calculated as follows:

Non-residential acreage 28.95 (rounded to 2 decimals) @ \$300.00/acre = \$8,685.00

Please allocate generated funds under Park Zone: E-6

Nearest Park: McCarthy Park

**If** density/acreage is increased /decreased or the property zoning /use changes, then "Park fees" will be re-assessed based on applicable conditions.
